Arcola Distinguished Alumni Award Criteria

The selection of the annual Arcola Distinguished Alumni award(s) shall be guided by the following criteria:

- Any Arcola High School graduate, living or deceased, may be nominated.
- The graduation date of the nominee must be at least twenty years prior to induction. Exceptions may only be made in extraordinary circumstances by a majority of the selection committee.
- The number of graduates chosen for the honor may be sizable in the early years of the award. A maximum number of annual award winners may then be determined in subsequent years.
- Nominee has used education and/or life experiences to become a successful, positive contributor to society.
- Nominee has record of significant contribution to his/her chosen field following graduation.

2015 DISTINGUISHED ALUMNI NOMINATIONS

- Nominee has exhibited continued leadership, character, service and dedication in his/her community, and/or has continued to support the Arcola community after leaving the Arcola area.
- All nominees not selected will remain in consideration for the following ten years. While it is not necessary to resubmit a nomination form each year, forms for prior recommendations may be updated.
